Subject: SAVE THE DATE: Advisory Group Technical Working Session - Tuesday , February 16, 2016 - Bishop Mora Salesian High School

Dear Advisory Group member,

The Department of Toxic Substances Control (DTSC) and the South Coast Air Quality Management District (SCAQMD) invites all members of the Exide Technologies Advisory Group to a Technical Working Session on Tuesday, February 16, 2016 from 5:00 PM - 7:00 PM. Please save the date...

The primary focus of this Technical Working Session is to discuss the governance/ roles and responsibilities of the Advisory Group. Additionally, brief updates will be provided on the progress of the proposed Draft Exide Closure Plan, and the status of Sampling and Cleanup efforts for the preliminary area of investigation surrounding the Exide facility. The meeting agenda and the associated meeting materials will be provided by email and posted online prior to the working session to allow ample time for Advisory Group members to review.
